Excerpts From The Avenues

By GENE EPLER

High—Spring is in the air again—and so are the flying discs. And since certain outsiders insist on motives in the city of crackpots, they will be surprised to find the flying discs have landed in Albany.

Commenting on the political situation, Councilman Frank Hays said: "You never see a candidate have any advice regarding their campaign, but not a single one asked me to vote for 'em."

Room Only—Albany's 18th annual smoker staged Friday eve at the Vets Bldg. The best yet, they all say. Over members and guests crowded the smoke-filled auditorium for some \$1800 worth of talent. The acts were first rate, including the finale which was pure

Note—Albany's Genny Wednesday eve was leading California State Women's Tournament now running in Richmond. Not 183, 206 and 214 in her events and in tie doubles 185, 202 and 202. Gene rolled 207 and 179 in the singles and grand total of 1774 pins. This has only been topped twice in Tournament's 17 years of

Bar Note—Robert "Bob" in a native son, returned to Albany recently to continue his law practice. The young attorney is currently doing business at 1108 S. Main, awaiting the completion of permanent office now under construction at 1330 Solano. Bob attended local schools and is a graduate of UC and Stanford Law School. This week he was named chairman of the Cancer Fund which opens on April 1.

Phi Beta Kappa—James N. of 1504 Marin Ave., has been awarded General Electric's Swope Fellowship to continue his research in physical chemistry. He is one of 18 graduate students in 17 U. S. cities who received scholarships totaling over \$100,000. James graduated from Cal Tech and is now studying for his Ph.D. at the California Institute of Technology. He is a Phi Kappa and a member of Sigma Chi.

Whist Party—The Ladies Sodality of St. Ann's Church is sponsoring a luncheon whist party at the Parish Hall at Stannage 12 noon Friday, March 28. Mrs. Karl Gilman, president, will be in charge. The Mesdames E. L. O'Hara, James O'Hara and John

State Historical Caravan To Visit Albany Next Week

California's Historical Caravan with its fabulous collection of objects and documents will visit Albany next Wednesday and Thursday by invitation of the local schools, according to Dr. Paul C. Bryan, superintendent.

The traveling museum featuring 14 exhibits of epochal events that shaped the destiny of the "Golden State" will be located near Albany High School on Pomona Ave., between the auditorium and Memorial Park.

The museum on wheels will open 1 p. m. Wednesday and will remain open all day Thursday. There is no admission charge.

Assembled by the California Centennial Commission as a key feature of its three-year commemorative program, the rare historical items, ranging from a brass plate Francis Drake affixed on California's shores in 1579 to the gold spike that linked the first transcontinental railroad, are being taken around the State in two specially constructed steel buses.

These buses are so designed as to form a single display unit when viewed by the public. Visitors enter the Caravan through an awning covered ramp, pass through one bus into another without alighting, and finally exit down a second ramp.

Among the rare items visitors to the Caravan will see are:

The diary of Don Gaspar de Portola, Father Junipero Serra's personal bible, the bill of sale that transferred ownership of Ft. Ross from Russian commercial interests to Capt. John A. Sutter, the first book and the first newspaper to be printed in California, a proclamation that called for the establishment of a California Republic and another that Commodore Sloat issued when raising the Stars and Stripes over the Custom House at Monterey in 1846, and the only existing survivor of the Donner Party tragedy—a doll.

Also, a drawing made by James W. Marshall after he discovered gold a century ago in which he personally recorded that memorable event, the diary of a '49er, Mark Twain's first book, the manuscript of a poem by Bret Harte, the roster signed by delegates to the First Constitutional Convention, and the silver hammer used with the famous gold spike at Promontory on May 10, 1869.

There are also many early daguerotypes and lithographs, mining implements, trade items, pony express mail, receipts for gold dust, coins, famous letters and other documents.

Legion Auxiliary To Hold Food Sale

Delicious home cooked food including salads, baked beans, cakes, pies and candy will be featured in a food sale sponsored by Albany Unit No. 292, American Legion Auxiliary, Saturday at 1331 Solano Ave., corner Ramona. Hours will be from 10 a. m. to 2 p. m.

The next regular meeting of the Auxiliary will be held Monday evening, March 27 at the Veterans' Memorial Building. A musical program is being planned.

Eagle Auxiliary Plans Big Whist

The Albany Eagle Auxiliary today completed plans for a candidate's whist party to be held 8 p. m. Saturday at the Maccabee Temple, according to Mrs. May Ellis Olson, chairman.

Honored guests for the evening will be candidates for the April 10 City election.

Door prize for the party will be a \$15 basket of groceries, and the lucky ticket holder need not be present to win. Score cards are 50 cents.

Assisting Mrs. Olson with arrangements are the Mesdames Peggy Aguayo, Ida McDermott, Josephine Benstead and Lydia Woodstock.

Serving on the entertainment committee are Mesdames Dora D'Askunthi, Grace Thesher, Beatrice Armstrong, Gertrude Pisani and Adeline Griffin.

Mrs. Annice Donahue is chairman of the entertainment committee, assisted by Mesdames Emma Brown, Phyllis Denny, Grace Fisher, Elsie Friis, Elena Diani, Isabella DeMaria and Wilhelmina Day.

An Easter theme will be carried out at the March 28 meeting of the organization to be held at the Albany Recreation Center. Mrs. Zelda Porter will preside.

MacGregor PTA Presents School With New Piano

With the arrival of a new piano, the opening of a new musical era was in the making this week at the MacGregor School. The music-box will be used exclusively by the first, second and third grades and is equipped with rubber-tired ball-bearing castors to be moved from room-to-room as needed.

The piano was selected by the gift committee, consisting of both faculty and parent members of the P.T.A. and was purchased with funds raised by the MacGregor P.T.A. turkey whist held last November.

Looming in the P.T.A.'s immediate social future is a pot luck supper scheduled for 7 p. m. Saturday, March 25 at the school. Plans for the event were completed this week under the leadership of Mrs. Nick Rekas and the following committee members: Mesdames William McGimpsey, tables and settings; Kenneth Hawkins, equipment; Ollie Foott, publicity; Tony Skerl, coffee; Fred Woodward, Lynn Duggan and Dave Sutch, telephone and miscellaneous; Leslie Spivak and Carl Fosselius, entertainment.

A good turn-out is anticipated for the home-cooked supper, followed by a round of folk and ballroom dancing or cards.

Egg Decorating Contest Set for Easter Fungram

President John Smith of the Albany Solano Ave. Merchants Association today reminded local children that "excitement and fun aplenty" are in store for all youngsters participating in the Easter Fungram to be sponsored by the Association here April 6.

A special feature of the Fungram, in addition to free ice cream for all, is the decorated egg contest. Contestants will be divided into age groups of 4 to 8 and 8 to 12, with prizes awarded for the best decorated egg, the most original and the most humorous.

All eggs must be pre-cooked and submitted between March 31 and April 5 at the following stores: Bok-Kay Gift Shop, 1389 Solano; Flowerland, 1330 Solano; Boger's Men's Wear, 1485 Solano; McCarthy's Baby Shop, 1404 Solano, and Safeway Store, Solano at Santa Fe Ave.

Another highlight of the Fungram is the parade of decorated bicycles, other velocipedes and costumed pets. The parade will start 1 p. m. at Key Route Blvd. and Solano, proceeding up Solano to Peralta Ave. and returning to Key Route where the program will continue.

All Solano merchants are now giving tickets for the bicycle and camera to be given away.

Music for the afternoon will be provided by the Junior Accordion Band from Knudson School of Music, under direction of William Travis.

The Association has extended an invitation to all candidates for the April 10 City election to attend its April 5 meeting at the Marin School Cafeteria and discuss their campaign platforms. The meeting time is 8 p. m.

Legion Schedules Special Meeting

Commander Le Roy Holland of the Albany Legion Post today requested that members attend a special meeting 8 p. m. Friday at Veterans' Memorial Building at which time plans for the amateur show project will be discussed.

"The amateur talent program and the Dean Maddox Night, scheduled for May 8 to 12, must be organized and started on its way before the regular meeting on April 7," Holland said.

James A. Sartain is serving as general chairman for both of the shows. Others assisting with preliminary plans are Don Karns, Arthur Carlson, William Price, Godfrey P. Hanson, Ralph Miners, Earl Nave, Carl Waters, Richard McAllister, Howard F. Hill, Gilson Talmadge and Ray Bugee.

\$998 Pledged Above Quota

Albany this week oversubscribed its \$5024 quota for the 1950 fund drive of the Berkeley chapter, American Red Cross, by turning in collections totaling \$6022. For the campaign as a whole, Harold Olson of Albany, drive chairman, announced Tuesday that the 92 per cent mark had been passed, with subscriptions reaching \$88,923 and a goal of \$95,898.

At the noon report luncheon held Tuesday at the Berkeley "Y," Dr. Paul Bryan, Albany business chairman, reported \$2842, far over the division quota of \$1844. Albany residential co-chairmen Mrs. Delsa Walton and Mrs. Ross Price posted the exact amount of their share, \$3180.

Peter Jurs, vice-chairman for the campaign, reported the sum of \$31,224 for all employee and commercial groups. Residential solicitors under Mrs. G. Dwight Wood were just short of their combined goal with \$57,699 to date.

Honored at the luncheon were Junior Red Cross members from Albany and Berkeley. Mrs. Albert Rosenblatt was in charge of arrangements, and Carroll Johnson, volunteer chairman of Berkeley Junior Red Cross, planned the program.

Teacher-sponsors and student officers present were introduced by Carroll Johnson. The following Junior Red Cross student-representatives made reports: Mary Lou Redfield, Lynn Ferguson, Gloria Viers, Janet Richards, and Douglas Steele. Steele, Albany High Student, described his school's Junior Red Cross activities for the past year.

At the end of the luncheon Chairman Olson announced that clean-up reports on the fund campaign would be made Friday at a 10:30 a. m. coffee hour at the Berkeley "Y."

Rotarians to Name Officers Monday Evening

Officers to serve the Albany Rotary Club for the coming year will be elected in an assembly meeting of the organization 6:30 p. m. Monday at O'Keeffe's, it was announced today by President Ted Williams.

A nominating committee composed of past presidents will recommend the new slate of officers which will be approved by members at the Monday night meeting.

Thomas Kuchel, State Controller, was guest speaker at the Monday luncheon this week. He pointed out that the controller, who is directly responsible to the people and not the administration, is the only state official who can withdraw money from the State Treasury.

Kuchel said that the controller's office, with a staff of 600, approves and audits all State claims. He said between eight and nine million dollars in claims pass through his office each day.

Before his appointment to the post in 1946, Kuchel served in the Assembly and State Senate.

ALBANY SOROPTIMIST SCRIBBLINGS

Like we told you last week, the sneaker Wednesday was Miss Hallie Fowler, field representative of the Oakland Council of Campfire Girls. And she told us all we didn't know about that movement. Did you know that this is the 40th anniversary since its inception, and did you know that the program includes girls from seven through senior high school?

In a program which features outdoor living centered around ideals of the home, 360,000 girls are receiving character building education, and its fun, too. Symbolically, the "fire" represents the hearth of home, and the "camp" the out-of-doors; hence, "campfire."

There are three age groups: seven to 10—Bluebirds; 10 through junior high—Campfire Girls and junior high through senior high—The Horizon Club.

Mary Carlevaro was chairman of the day, and in addition to introducing the speaker, she had as her guest Mrs. Gus Gamos, Gertrude Wright, member of the Soroptimist Club of Berkeley, was also present. Another visitor—let's call him Harvey!—an Easter bunny, no less, was donated by Mildred Hein to liven up the day, and Miriam Gilsen walked off with him. Lucky

gal! He was almost as big as she was, incidentally.

Sally Nelson, legislative chairman, reported on many bills which are current on the floor of our State Legislature, and in her vehemence gave a good imitation of Carrie Nation—do we love her! Soroptimists feel that good government is the business of each and every person during 1950, and urge an active interest and participation in it—by you.

Next week's chairman is Ruth Tonkin. We don't know what she has in store for us, but knowing Ruth, we know it'll be good. We'll all just have to wait and see.

This old wing of Albany's Cornell School is being torn down. Construction of new wing, to contain office space for the superintendent of schools and staff, a library, cafeteria and two classrooms, may be completed by end of year. Estimated cost is \$125,000. Plans for the new addition are being studied by State architects. When approved and returned, bids will be requested. Program is part of Albany's \$282,000 bond issue passed last fall.

LOTS OF HOT WATER WHEN YOU HAVE "extra gallons" ON HAND...

Can you do "a whopping big washing" in your home without running out of hot water? Or do you have to limit the size of the washing to the size of your water heater?

Those are two good questions to ask yourself when planning a new house or when you are replacing the present, old water heater in your home. Too often, a 20-gallon water heater is put into a home where the hot water needs require a 30- or 40-gallon heater.

Did you know that it takes 20 to 30 gallons for washing clothes and an average of 15 to 20 gallons for a shower? So if you are buying a new water heater make sure you select one that is "sized up" to your family's needs.

**How to Buy Your Next
GAS WATER HEATER**

1. PROPER SIZE: A fully adequate water heater costs so little more now, and will save you from having to make costly replacements later.

2. QUALITY MAKE: You will get longer, better service when you buy a top-quality automatic gas water heater that carries a manufacturer's guarantee.

Albany High Times

By ALLEN BABROS

The annual Band and Orchestra Concert will be presented Friday evening at the High School Auditorium under direction of William Bouton. The band's portion of the program will include selections from "Oklahoma" and the popular Spanish "Malaguena."

Proceeds from the fifty-cent admission will go for new band uniforms and for the annual trip to the Northern California Band and Orchestra Festival held this year in San Jose.

Baseball has rolled around again at Albany High and with it another fighting Cougar team. Prospects aren't as bright as they were last season, since there were only six lettermen among the 45 reporting for the opening practice.

Lettermen reporting included Don Diani, catcher; Ron Marengo, outfielder; Dick Heinzel, second base; Gary Rohin, shortstop; Bob A. Smith, first base and Louie Patton, All-County centerfielder.

Although no lettermen pitchers returned, the Cougars will have seniors Ken Woods and John Ball, both who have played summer league ball.

In the next few days, Coach Len Callan will be cutting the squad down to 18 in preparation for the first league game scheduled with Berkeley on Friday, April 14, at the Yellowjacket's new field.

"Jack and the Beanstalk," a musical fantasy with an all eight grade cast, will be presented tentatively 8 p. m. Friday, April 27, at the

High School Auditorium, under the direction of James Kinner.

This is an original version of the popular fairy tale written by the students, with music for the production composed by Mr. Kenue.

Bill Peluso and Carol Lee Eou-langer will play the stellar parts as Jack and Jill, while the supporting cast includes Eugene Robertson, the Giant; Betty Pantleroy, Mrs. Giant; Diane Verrouen, Widow Bean, and Melvin Bean, village policeman.

Friends of Jack and Jill will be played by King Giles, John Zuercher,

Net Cochran, Roger Thomas, Russ Mower, Joe Angelo, Joan Lund, Lynn Pawson and Helen Rob-Marie Hammer, Donna Cien,erta Steiner.

It's Big

Everything about a '50 Ford—except the price
—says: "Big car." You get more hip and shoulder
room than any car in Ford's field. You get "big"
power—from the '50 Ford's new "hushed" 100-
horsepower V-8 engine. And you get a big car
"feel," too, from Ford's low, level "Mid Ship" Ride.

It's Beautiful

With "Fashion Car" styling—this year more
beautiful than ever . . . with new baked-on
colors that are "built to live outdoors" . . . Ford
looks the quality car, too. And, inside, sparkling,
new upholstery fabrics make the '50 Ford a
decorator's dream.

It's Buyable

Less money than you'd guess will put the keys of a
'50 Ford in your pocket. Even with the 100-horsepower
V-8, your price tag reads hundreds less than they're
asking for most "sixes"! And nowhere else—for any
price—are you offered Ford's 13-way stronger
"Lifeguard" Body . . . 35% easier-acting King-Size
Brakes and the other great features which add up to
the new Ford "feel."

'50 FORD

**"TEST DRIVE" THE '50 FORD AT YOUR
FORD DEALER'S. It will open your eyes!**
